

USCG ACP Revitalization Goals

1

- Meet all NCP, ISPR, & USCG directive requirements
- Standardization & Consistency of contents
- Tactically useful (vice warehousing policy)
- Annual review w/4 year update cycle
- Account for 'Energy Expansion' (incl. rail & pipelines)
- Robust, inclusive Area Committee
- 1 ACP per COTP Zone (variance allowed)
- Standalone ACPs for the coastal zone (CG DCO Memo FEB 2017)
 - ▣ Joint planning OK

More Proposed Changes

2

- CGHQ-led GRS working group
- ACP 'scoring' policy & process
- National ACP Review Panel
- Requirements for Annual ACP update
- NSFCC/Strike Team POCs to assist with ACP reviews
- Clearer guidelines/metrics for Area Committees
- ACP modernization via NRT working group
- Prescribed format for RCPs?
